

§ 452.3

EPAct 2005 means the Energy Policy Act of 2005, Public Law 109-58 (August 8, 2005).

Open window means the period during each reverse auction, as specified in an associated solicitation, during which DOE accepts bids for production incentives under this part.

Secretary means the Secretary of Energy.

§ 452.3 Solicitations.

The reverse auction process commences with the issuance of a solicitation by DOE. DOE will publish a solicitation in the FEDERAL REGISTER and shall post the solicitation on its website at www.eere.energy.gov no later than 60 days before the bidding in a reverse auction under this part commences. The solicitation shall:

- (a) Invite interested persons and businesses to submit pre-qualification statements;
- (b) Set forth the terms on which bids will be accepted;
- (c) Specify the open window for bidding; and
- (d) Specify the date by which successful bidders will be required to file pre-auction eligibility submissions.

§ 452.4 Eligibility requirements.

(a) *Pre-auction eligibility submissions.*
(1) Entities that intend to participate in a reverse auction, within the time period stated in the relevant solicitation, must file a pre-auction eligibility submission that provides all information requested in the applicable solicitation to which it is responding, including an implementation plan.

(2) Each pre-auction eligibility submission's implementation plan must, at a minimum:

- (i) Demonstrate that the filing party owns and operates or plans to own and operate an eligible cellulosic biofuels production facility;
- (ii) Identify the site or proposed site for the filing party's eligible cellulosic biofuels production facility;
- (iii) Demonstrate that the cellulosic biofuel to be produced for purposes of receiving an award either currently is suitable for widespread general use as a transportation fuel or will be suitable for such use in a timeframe and in sufficient volumes to significantly con-

tribute to the goal of 1 billion gallons of refined cellulosic biofuel by August 2015.

(iv) Provide audited or *pro forma* financial statements for the latest 12 month period; and

(v) Identify one or more proposed sources of financing for the construction or expansion of the filing party's eligible cellulosic biofuels production facility.

(b) *Notification of pre-auction eligibility status.* DOE shall notify each entity that files a pre-auction eligibility submission of its acceptance or rejection no later than 15 days before the reverse auction for which the submission was made. A DOE decision constitutes final agency action and is conclusive.

(c) *Progress reports.* Within one year after the reverse auction in which a bidder successfully competed, the bidder must submit a progress report that includes all additional information required by the solicitation in which the bidder submitted a successful bid and which demonstrates that the bidder has:

(1) Acquired the site where its proposed eligible cellulosic biofuels production facility is or will be located;

(2) Obtained secure financing commitments for the plant or expansion thereof, as necessary to produce cellulosic biofuels; and

(3) Entered into a written engineering, procurement, and construction (EPC) contract for design and construction of the eligible cellulosic biofuels production facility; such EPC contract must provide for completion of construction of the eligible cellulosic biofuels production facility such that operations at the plant or plant expansion will commence within three years of the reverse auction in which the bidder successfully competed.

(d) *Production agreement.* Within 90 days after submission of its progress report under paragraph (c) of this section, the successful bidder must enter into an agreement with DOE which requires the bidder to begin production of commercially significant quantities of cellulosic biofuels, at the eligible cellulosic biofuels production facility that was the subject of the relevant bid, not later than three years from the date of the acceptance of the successful bid.
